SECTION - X

Para, 1 Irregular expenditure of Rs.19,42,355.00 and creation of Liability of Rs.8,44,988.00

The strengthening of Government Polytechnic under the assistance of Government of India and World bank was launched by the Government of Bihar under its resolution no.971 dated 11.4.1990 for the period 1990-95 initially. Accordingly 40 additional posts were sanctioned vide letter No. *Pl. Pro. Pl./World Bank/19/96/2009* dated 5.11.1996 for the Government Polytechnic, Khufri, Bolars against the World Bank sponsored programme. Out of 46, only seven staffs as detailed in *Annexure-B* were appointed on contract basis during June and July 1997. The programmes sponsored by the World bank were closed on 30.6.1998 vide letter No. *Pl. Pro.Pl./World Bank/150/91/631* dated 16.5.1998. It was also noticed that the Government of Bihar, Science and Technology Department issued a letter (No. Science Tech. Deptt. World Bank-39/97/591 dated 1.4.2000 to the effect that the services of officers/officials appointed on contract basis could be stopped after 28.2.2000.

Further scrutiny of records revealed that the programme sponsored by World Bank were already closed on 30.6.1998 and then Government of Bihar had also issued an order for not taking services of contract staffs after 28.2.2000 but seven staff appointed against the World Bank Projects were still working in the institutions and they were paid Rs.19,42,355.00 for the period from 1.7.98 to 31.3.06 on account of their pay and allowances. Further, there was liability of Rs.8,44,988.00 for the period from 1.3.2000 to 14.11.2000 and 1.11.2005 to 28.2.2007. The projects sponsored by the World Bank were closed since agreement 30.6.98 and then Government of Bihar also stopped to take their services but the concerned Principals did not follow the order of the Government and continued to take their services without any requirement as their posts had been sanctioned only against the World Bank sponsored programmes.

Thus, an irregular expenditure of Rs.19,42,355.00 was incurred towards pay and allowances of officials appointed on contract basis and at the same time a liability of Rs.8,44,988.00 was also created as outstanding amount on account of their pay and allowances.

Reasons for grant of irregular extension to the officials and irregular expenditure of Rs.19,42,355.00 and creation liability of Rs.8,44,988.00 may be justified as under.

In reply it was stated the expenditure was granted time to time. The reply was not tenable as services of staffs appointed on contract basis should have been stopped after the closure of World Bank sponsored projects. The matter requires immediate action by higher competent authority.

SECTION - B

Para No. 2 Non-remittances into treasury Rs.2,72,700.00

As per JTC-I, Rule 7(i) revenue received by the Government officer/ official should be deposited into treasury in concerned head without delay.
